Configure TCP/IP

Please enter the IP configuration for this machine. Each item should be entered as an IP address in dotted-decimal notation (for example, 1.2.3.4).

[*] Use dynamic IP configuration (BOOTP/DHCP)

```
IP address:             _____
Netmask:                _____
Default gateway (IP):   _____
Primary nameserver:     _____
```

OK   Back
